RX-TD-360 Smart Desk Booking Panel

In a world where hybrid workspaces are the norm, desk booking becomes more than just a task, it's a strategy. Our sleek device, with its small form factor is the perfect solution for managing flexible workspaces. No more searching in vain or grappling with inefficiencies; reap the rewards with the industry's latest Android OS, a vivid multi-touch display, dual-band WiFi support, and enterprise security. Dive into an era where technology meets practicality.

Android 12	3.6" Multi-Touch Display	Splash Resistant	WiFi 5 & 802.1X	Dynamic Status LEDs	RFID (NFC) & Apple Wallet	Fortify+ Security	Flex-Mount & Cabling

- ❖ Clear indication of workspace status and availability
- ❖ Centrally managed server, fully scalable for enterprise-wide solutions
- ❖ Works with MS Outlook/Exchange, MS Office 365 Google Calendars and a wide range of advanced booking systems
- ❖ Instant desk booking, Check In/Out/Extend for true resource usage reporting
- ❖ Manages booking no shows, freeing up desks for others to use

- ❖ Supports optional authenticated access
- ❖ Touchless booking/Check in/Out/Extend
- ❖ Auto ring-fencing capabilities
- ❖ Reverse hoteling to free up semi-permanent resources to the bookable pool
- ❖ Set up and clean down policy booking
- ❖ Search and book using the RX Mobile app for iOS or Android devices
